

## Business Block Main Screen Painting Elements

The Business Block Main screen can have elements painted in the Details (Green), Buttons (Yellow), and Tabs (Red) portions of the screen. Each Tab will show you the elements that can be painted on it. See below for all of the possible elements.

In any field that is setup as a multi-select field, if a manual entry does not match any of the configured values, then the multi-select list of values for the field is displayed.
